

# Let's go wild!

## All creatures small and great! Bugs and mini- beasts

An afternoon of free activities for children at Higher Bochym Rural Workshops on the Lizard National Nature Reserve

**Saturday 22nd May**  
**1.30pm until 4pm**

### Celebrating International Biodiversity Day

Help to build a bug mansion and have a go at pond dipping.

Join us and the rest of the world in celebrating International

Biodiversity Day and have an exciting afternoon of habitat creation and pond exploration at Higher Bochym Rural Workshops, investigating the bugs and beasts that live on the Lizard Nature Reserve.

**Spaces are limited; please call to book your place before Saturday**

2010 International Year of Biodiversity

To book and for more information please contact Claire Scott
